Date: 11/30/20

City Project No.: 15-76

Addendum No.: 1

Plan holders:

The following additions, deletions or modifications shall become part of the Contract Documents:

Responses to General Contractor Questions/Comments:

1. Can a prime contractor with a "B" license bid on this job?
 - a. Yes, the City will accept bids from contractors with either an "A" or "B" license,
2. Section 10.03 of the specifications states that the contractor shall coordinate delivery of the shelters with the City, will the City be responsible for delivery once they are assembled?
 - a. No, the City will not deliver any materials. The contractor will be responsible for delivery of materials during every stage of assembly and installation. The specifications indicate that the contractor must notify the City whenever materials will be picked up from the Corp Yard and when they will be installed.
3. Pages 42 – 51 of the bid book seem like duplicates for the workers comp certification, payment and performance bond pages, but they have slight differences. Is there a certain form that we should use over the other?
 - a. During the agreement process, the selected contractor will be required to submit both forms as shown in the bid book.

If you have any questions, please call me at (209) 668-5428 or email at ahutchings@turlock.ca.us.

Sincerely,

Adam Hutchings, PE
Associate Civil Engineer
