SUPERVISOR COMMENTS

Calls for service were on the lower end as compared to most night shifts. We completed two reports during our shift. While an officer was conducting an extra patrol in the 1200 Block of Geer Rd., he located a suspicious vehicle occupied by one individual. Upon contact the officer could see in plain view illegal contraband. A search incident to arrest revealed the subject was also in possession of illegal narcotics. The subject was ultimately arrested.

During most of the shift officers completed reports and investigations they acquired during their work week.
