SUPERVISOR COMMENTS

Dayshift had a steady shift with calls for service. We ended up taking a total of seven reports. The call of the day was a vehicle collision. This collision involved three vehicles and occurred near the intersection of W. Monte Vista Ave and N. Tegner Rd. Fortunately none of the involved drivers were injured from the collision. Officers also spent their day getting caught up on their reports from their busy day yesterday

CTO's: None completed during this shift.

SUPERVISOR COMMENTS

We had a fairly busy shift for it being a Saturday evening. We ended up taking nine report calls for the shift. We made two arrests during the shift and both of the subjects were booked. The first arrest stemmed from a victim flagging down officers regarding a subject brandishing a knife at him. The responsible subject was located in the area of the flag down. He was arrested and booked for brandishing a weapon and elder abuse. The second call associated with the arrest was brought to our attention by Target staff after they observed the responsible subject slurring his speech and having difficulty standing. He was with two small juveniles. We made contact with the subject as he was in the parking lot looking for his vehicle to drive away. He was arrested for public intoxication, child endangerment and two misdemeanor Stanislaus County warrants.

SUPERVISOR COMMENTS

Most of the night was normal for a Saturday night with regard to calls for service. Numerous calls were being reported and some of which were being reported as in-progress. Most of the evening night shift officers were busy handling calls and responding to in-progress calls for service. As the night progressed the amount of pending calls decreased to only one or two calls pending, just prior to 2:00 a.m. Shortly after 2:00 a.m. that quickly changed. Within approximately 5 minutes Turlock Police Department received two in-progress calls that required multiple officers to respond to each one. The first incident was reported to be occurring in 500 block of Vermont Avenue. We received multiple calls reporting a large disturbance and one caller reported a firearm was involved. While multiple units were responding to this incident; Turlock Police Department received a call reporting a subject shot in the 100 Block of S. First St. This second incident required units to deviate from the previous call and respond to the 100 Block of S. First St. Due to the severity of both calls for service, officers had to contend with handling both critical incidents simultaneously.

The incident occurring in the area of the 500 Block of Vermont was later determined to not involve a firearm and handled by responding officers.

Officers responding to the 100 Block of S. First St. located a male subject who sustained a gunshot wound as a result of a shooting. At the time of this entry Officers and Detectives are currently investigating this incident.
