SUPERVISOR COMMENTS

The shift was relatively busy throughout. Officer handled seven report calls and made four arrests, two booked and two cited. One of the calls of interest involved a man who was going through a mental health episode and drove his vehicle out of his garage and through his garage door. Officers located the vehicle in Denair off of Tuolumne Rd. He was detained mental health hold and transported to a local hospital. He later ran away from the hospital so officers had to respond back to get him to return. This was likely due to him suffering from a recent loss in his family.
