SUPERVISOR COMMENTS

It was a quiet night for the officers. During this 12-hour time span, officers investigated a hit and run collision. A witness had called TPD to report a male on a bicycle had struck a parked vehicle. This caused the bicyclist to fall off of the bike. The bike rider decided not to

stay until police arrived, and instead rode away. There was minor damage to the vehicle, and the identity of the rider is not known at this time.
