1 Fraud		

### **SUPERVISOR COMMENTS**

Our last work day of the week was busy as always. The call volume didn't leave much time for self-initiated activity. During the day several officers were out of the city taking arrested subjects to jail and juvenile hall. Officers arrested a subject who was trespassing at a local retail store. He was found sleeping in the rear, under two "no trespassing" signs. He acknowledged that he was asked to leave, but decided to ignore the employee. The subject was arrested and taken to jail. Officers then investigated a domestic violence incident between two juveniles. Due to the injuries on the victim, the suspect was arrested and taken to juvenile hall for domestic abuse.

### **SHIFT: SWING SHIFT**

**Sgt. Crawford**

**NUMBER OF REPORTS: 7**

#### **CATEGORIES**

2 Juvenile Runaways	1 Trespassing	2 Larceny from Vehicles
1 Domestic Battery	1 Accident-Minor Injury	

### **SUPERVISOR COMMENTS**

The shift began with a report of a male with a gun on campus at the college. The entire shift responded to CSUS to assist in securing the campus. The campus was locked down. It took a coordinated effort between CSUS PD and TPD for 2-3 hours to ensure the safety of the campus before the lockdown was lifted. No suspect was located. The rest of the shift was report calls with no arrests. A domestic violence was investigated where the suspect was not located. He is wanted for felony domestic violence charges.

**SHIFT: GRAVEYARD SHIFT**

**Sgt. Cervantez**

**NUMBER OF REPORTS: 2**

**CATEGORIES**

1 Sick Person-Suicide

1 Assault & Battery

**SUPERVISOR COMMENTS**

Officers responded to a domestic battery call that involved alcohol. The male half shoved his girlfriend to the ground then took off before police arrived. A warrant will be sought for his arrest at a later time. Last night was uneventful, however, this was good, as it was the final shift of this rotation. The free time gave officers the opportunity to complete all their pending reports to prepare for a fresh start next week on their new shifts.
