SUPERVISOR COMMENTS

Calls for service were slower tonight then previous nights this week. This allowed Officers to conduct proactive self-initiated stops in-between calls for service. An Officer located a suspicious vehicle in a parking lot of a park and contacted the occupant. Officers learned the male in the vehicle had a warrant for his arrest. The male was placed under arrest. Officers located an occupied stolen vehicle and conducted an enforcement stop on it. The driver was placed under arrest and booked into Jail. Calls for service began to pick up around 5:00 am keeping Officers busy until Day Shift started.
